**BOARD OPEN DISCUSSION**

Janene Radke encouraged everyone to attend the Chamber’s Annual Banquet on March 5th.

Lara Bors reminded the Board of KASB training on School Finance on Thursday, March 5th in Scott City.

Dr. Tim Hannigan discussed student fees at Garden City Community College. He stated that he had been meeting with Dr. Karlin and researching the fee structure at the college. Dr. Hanigan expressed concern at the high cost of the fees, especially since the services paid for are typically unused by Garden City High School students and how some students are unable to afford to take dual-credit classes due to the fees.

Mark Rude stated his appreciation for the hard work put into the Kindergarten Readiness program. He also expressed the importance of encouraging staff to remain engaged and stated that the collaborative environment that we have makes for a good environment. Mr. Rude encouraged the support of the TKI in our kindergarten classrooms and for students transitioning into kindergarten classrooms.

Dr. Steve Karlin told Board members that he would be traveling to Washington DC with a group from the Kansas Children’s Service League to the national office of Head Start. The district was one of 12 in the nation selected to participate in a partnership to increase communication and participation between Head Start and the local school districts. He also expressed thanks for the plant sent from the Board of Education at his mother-in-law’s funeral.

**NEXT BOARD MEETING** - THE NEXT MEETING OF THE BOARD OF EDUCATION WILL TAKE PLACE ON THURSDAY, MARCH 26, 2020, AT 5:00 P.M. IN THE BOARD MEETING ROOM AT THE EDUCATIONAL SUPPORT CENTER, 1205 FLEMING STREET, GARDEN CITY, KANSAS.

Resolution of the Board Regarding Wage Payments during Emergency School Closings

WHEREAS, the board is authorized to expend funds of the Garden City Public Schools U.S.D. 457 for purposes necessary in the conduct of the public schools as determined by the board;

WHEREAS, the board acknowledges that during an emergency closing, most district employees are instructed not to report for work;

WHEREAS, the board finds that a need exists to address wage payments for employees who are idled resulting from an order by Kansas Governor Laura Kelly in conjunction with the Kansas Department of Health and Environment and the Kansas State Department of Education resulting from the COVID-19 Pandemic of 2020;

WHEREAS, the board determines that employees who are instructed not to report to work may suffer a loss of pay if the district or its attendance centers are closed;

WHEREAS, the Kansas Legislature has declared in House Substitute for Senate Bill 142 its intent that any school district applying for a waiver of the mandatory school term under K.S.A. 72-3117, and amendments thereto, shall continue to pay all current hourly employees during times of closure; and

WHEREAS, the board concludes that continuing wage payments to all regular employees, both salaried and hourly, who suffer a loss in pay due to an emergency closing serves the public purposes of maintaining morale, reducing turnover, and ensuring continuity of district staffing when schools reopen;

NOW, THEREFORE, BE IT RESOLVED that the Board of Education of Garden City Public School U.S.D. 457 authorizes continued wage payments to all regular employees, including regular salaried and hourly employees and employees under current contract with the board who are instructed not to report to work on days they would otherwise be required to be working during an emergency closing.

The authority granted by this resolution to continue wage payments to idled employees is effective for the period of March 16, 2020 through June 30, 2020, unless the Board takes action to authorize payment during a longer duration.

Adopted this 26th day of March, 2020, by the USD 457 Board of Education.

RESOLUTION FOR SUSPENDING BOARD POLICY
IHF GRADUATION REQUIREMENTS

Be it resolved that all credit requirements above and beyond those minimum required credits set by the Kansas State Department of Education, which are contained in Board of Education Policy IHF, adopted February 17, 1992 and revised February 1, 2016, be suspended for the graduating class of 2020. Students must meet all standards set out in K.A.R. 91-31-35, unless otherwise modified by the Kansas State Board of Education or the Kansas State Department of Education, to qualify for graduation in May 2020.

IHF Graduation Requirements*

The board may adopt graduation requirements beyond the minimums set forth by the State Board of Education.

Garden City High School students in the senior class of 2017 and thereafter shall meet the following qualifications for graduation:

A. A student must earn a minimum of 24 credits in grades 9-12 to graduate from Garden City High School or a total of 21 credits to graduate from the Garden City Alternate Education Center and the Garden City Virtual Academy.

B. During the senior year, a student may concurrently be enrolled in higher education courses while maintaining courses at Garden City High School or the Garden City Alternate Education Center.

C. Subject requirements for students in the senior class of 2017 and thereafter, are:

Exceptions may be granted by the board to waive local graduation requirements that are in excess of the state minimum requirements for students on a case by case basis.
The board shall award a student a diploma if the student is at least 17 years old; is enrolled or resides in the district; was in custody of the Secretary of the Kansas Department of Corrections (KDOC), the Secretary for Department of Children and Families (DCF), or a federally recognized Indian tribe in this state at any time on or after the student’s 14th birthday; and has achieved at least the minimum high school graduation requirements adopted by the state board of education.

The Garden City Virtual Academy meets the state graduation requirement of 21 credits and is an option for 18 year old adults after their graduating class has held commencement. Also, all Garden City Virtual Academy graduates will be required to pass at least one course from the Garden City Virtual Academy before a diploma is issued. The benefit of allowing the Garden City Virtual Academy to follow a 21 graduation credit requirement is to encourage the “adult” learner to receive a diploma to better their future and become more marketable in the workforce.

The Garden City Alternate Education Center also meets the state graduation requirement of 21 credits through coursework conforming to the district standards and curriculum. Any student transferring to the Garden City Alternate Education Center will have to pass a minimum of one credit of coursework while enrolled at the Garden City Alternate Education Center before a diploma is issued. The benefit of attending the Garden City Alternate Education Center is to allow students to pursue their desire for a diploma in a differentiated, smaller school environment sooner than the traditional high school program to enable them to pursue their next goals in life.

**Program**

Garden City High School shall award a high school diploma to all students who satisfactorily complete the requirements for graduation as set forth above. All exceptional students (special education) are eligible for graduation from high school upon completion of State Board requirements as specified in K.A.R. 91-31-21, and shall receive the same graduation recognition and diploma as a non-disabled student. Students will not be allowed to participate in commencement exercises unless all graduation requirements have been met. The diploma earned by Garden City Virtual Academy and Garden City Alternate Education Center graduates may be differentiated in name but represent the same high standards for student learning.

**Early Graduation**

The student must satisfactorily complete all state and local graduation requirements of subjects and credit units (or their accepted equivalents) in order to graduate early. The administrator will accept modification of the four-year attendance requirement for high school graduation to permit students to leave high school in less than four years, provided they meet the following conditions.
IHF Graduation Requirements

A. Completion of six semesters of appropriate units of credit required for Garden City High School or Garden City Alternate Education Center graduation, as described above.

B. Parent(s)/guardian(s) have met in advance with school officials and agree in writing to the early graduation procedure.
