It is very important to **read aloud to your children** from birth to adolescence.

As little as 15 minutes a day can have a significant effect on their becoming lifelong readers, which in turn helps improve student achievement.

- **B.O.B.'s Objective #1** - To increase student reading skills.
- When you see B.O.B. parked at a site, **STOP...and get a FREE book!**
- Social distancing will be practiced
- You **do not** need to bring a book to take a book

Reading is fun!
