

The Lurkey Nark

A lurkey Nark horped whev into the Blink's crump. "Why did you horp whev into my crump?" cuffed the Blink.

"Foop," scrobbed the Nark. "I horped whev into your crump to blip your crab."

"Well," crufted the Blink, "I no blike whev in my crump." "Whev in my crump can only scrab me."

The lurkey Nark slozzeled away crumflunkingly to find more whev. He planned to horp whev into the Blink's crump again. He even planned to horp whev into the Blink's zaboo.
